Performance

**During the event, Ushers are responsible for making sure that food and**

**In an emergency, Ushers are responsible for helping patrons locate**

Fine Arts Building Technicians are able to assist with lighting, video projections and basic audio (microphones for lecturers). For more complicated audio needs, such as live music reinforcement, it is highly recommended that a professional audio engineer is hired. A list of audio engineers who have worked in the venue recently can be provided upon request.

## **Video Recordings**

Video recordings of events are not provided. A list of companies who specialize in video production and have worked in the venue recently can be provided upon request.

## **Pianos**
