

Dr. Maria Williams was recommended for funding.

Congratulations! We received 41 very interesting, high-quality proposals requesting a total of more than \$1.1M, and were only able to fund a portion of the submissions.

For each proposal, we used three ad-hoc reviewers (faculty from all 3 universities) who scored each proposal based on the criteria in the RFP. Once these were compiled, the top nineteen (~\$360,000 requested) were selected.

We will need the contact information for your business office so that we can transfer the funds to you. If you would like to discuss your proposal or the selection process, feel free to contact me. I look forward to hearing about the results of this exciting proposal.

Sincerely,
